S.P. MAY PROVIDE DAILY COMMUTE SERVICE TO S.F.

Prospects for a direct and rapid commute service by train once daily to and from San Francisco by way of Vasona Junction seemed possible for Campbell today on word from San Francisco that the Southern Pacific Company is starting a survey on this project at the suggestion of the Public Utilities Commission.

Tentative plans would have the train start from San Jose with a stop at Campbell, Vasona Junction, Los Altos and Palo Alto enroute to San Francisco. Los Gatos would be served from the Vasona station, two miles north.

Freight service would probably be continued daily to Los Gatos and Campbell. In the meantime, the Los Gatos Chamber of Commerce has asked the town council to look into the prospects for buying the Southern Pacific right of way for use as off-street parking in the event the Company decides not to use it any more.

The line originally ran to Santa Cruz. Another line came in from the Almaden quicksilver mine over what is now Camden avenue joining the Campbell, Vasona line south of where the Campbell Lumber Company is now located.

Campbell To Be Host City For Regional Homemakers Meeting

Henry Jewell To Head 1955 Red Cross

Henry Jewell has been named 1955 Red Cross Drive Chairman for the Campbell High School district, with Robert Culp as assistant, Ray Mathis and Joaquin Payne as members of the Red Cross Board of Directors, Leonard Scroggins as water safety chairman, Ken Robison as civilian defense chairman, Mrs. Marian Nelson representative from the San Tomas district, George Misculin and Laurence J. Hill chairmen Campbell chapter for the Red Cross.

This was the result of the meeting held Tuesday at the high school. A \$4500 budget has been set up and the drive is to get under way in March.

Leonard Scroggins, Water Safety Chairman in this area described the plan for sending people to the National Aquatic School on scholarships. Suggested sending teachers this year as people from around the pool went last year. If five persons go, the Campbell Chapter will take care of the expenses of three of them and A. Anderson said the San Jose Chapter would take care of the other two. The schools will be in the same places they were last year. The one nearest to Campbell is at Fresno. Scroggins thought some of the younger women, who are planning to make physical education their life work, and work around the pool in the summer should take the course. The girls who went last year were gone about ten days. Jack Payne said he received a letter from Gloria Saia expressing her appreciation for the opportunity of attending this school. Campbell High School is to send five persons to the Training School for Water Safety; these to be selected later.

Laurence Hill announced that the Campbell Community Chest was going to join the San Jose Community Chest. They have a fund of several hundred dollars in their Disaster Relief Fund and do not know just what to do with it. Mr. Hill asked Mr. Anderson if this fund could be taken over by the Campbell Chapter of Red Cross, and set aside to be used on disaster relief only. Mr. Anderson said it could; the only thing being that the funds must be used under Red Cross rules—the use of the money to be based on need and not on loss. It was decided that the fund could be taken over by the Campbell Chapter of Red Cross and put in a restricted savings account, to be used for disaster only. The only thing the Community Chest wanted to be sure of was that the money be used in the Campbell area.

Local Dentist At Symposium

Dr. John A. Hughes, D. D. S., attended a symposium on dentistry for children held this week in San Francisco which included discussions on recent advances and techniques in dentistry, and the restoring of lost teeth, and the fluoridation program which the dentists endorse. A report showed that of the 160 million people in the United States only 22 million are getting the advantages of a fluoridation program.

In conjunction with Dental Health Week, Dr. Hughes said dentists feel children are having too many cavities, all due to their excess consumption of sugar contained in candy, ice cream, gum, and soda pop, and are trying to alert parents to its danger. Another necessity to good dental health which many parents are unaware, is the use of spacers to replace lost baby teeth and thus prevent problems with an orthodontist when the new teeth appear.

There are 960,000 adult leaders in the Boy Scouts of America.

Campbell Raises \$258 Over Quota March Of Dimes

With an estimated \$25,000 needed to meet its quota of \$150,000, Santa Clara County's 1955 March of Dimes campaign today begins an intensive mop-up drive, which, it is hoped, will result in success by the end of next week.

Edward O. Duino, general campaign chairman who presided at yesterday's final report luncheon, revealed to the volunteer workers that a total of \$107,406.53 has been contributed thus far, which, in itself, represents the largest amount ever raised in Santa Clara County in the fight against the crippling effects of polio.

First areas to exceed their quotas are Los Altos, chaired by Mrs. Mathew DeLeon, which has contributed \$5,709.72 against a goal of \$5,000; Cupertino, with a goal of \$2,500 has raised \$4,151.92 under the leadership of Donald Bandy, while Campbell, with a \$4,500 quota, has contributed \$4,758.57 with George Kemp as chairman.

Military installations in the county, led by Moffett Field's Chaplain Wright, have returned \$1,171.15, while radio station disc jockeys have been responsible for \$2,677.87, of which over \$2300 came from Radio Station KLOK listeners.

Moreland Teachers To Get Charter

Moreland School District Teachers' Association will be presented its charter by the California Teachers' Association Monday evening at a dinner meeting at Moreland School. Guest speaker will be Hugh Page, assistant secretary of the C. T. A. Mrs. Betty Hoagland, association president, has expressed hope that the cause of education in the state and nation will be further strengthened by a closer tie with state and national educational associations.

Planning to attend the meeting are Mr. and Mrs. George Ballantyne, Mr. and Mrs. Sam Manfre, members of the Board of Education; Mrs. Oliver Upton, president of El Quito Park School P. T. A., and Mr. Upton; Mr. Robert Pennell, president of the Dad's Club, and Mrs. Pennell; Mrs. Orsel Davis, president of Moreland School P. T. A., and Mr. Davis.

Mrs. L. Deitz, social chairman, and her committee consisting of Mrs. Josephine Sleeper and Mr. James Hall, have planned the dinner which will be served by Senior Girl Scout Troop 90 of Campbell Union High School.

Congregationalists Set Record In Membership Drive

One hundred and three adults and 18 junior members were welcomed into the Congregational Church last Sunday morning by Dr. Corwin H. Olds assisted by Dr. Frank E. Carlson. As far as can be determined, this is the largest number of new members ever to be taken into a church membership at one time in the Campbell-Santa Jose area, and was the culmination of a program of church visitation directed by Dr. Carlson, associate pastor of the church.

Next Sunday's services will include an installation of new church officers for the ensuing year.

Building Brisk In Campbell

Building permits for a quarter of a million dollars worth of new homes in the Campbell area were issued this week, while subdivisions were preparing some 140 acres of newly annexed lands with sites for many more new homes.

Those to whom permits were issued were: Sam Nazzuro for a \$14,000 home on West Campbell Avenue, A. C. Whitehead for an \$11,000 home on El Solvo, Robert Scott a \$13,500 home on Picadilly Lane for A. J. DeSmet, A. C. Goulding for a \$2,500 addition at 296 Lucot Way, Heers Associates for 16 dwellings costing a total of \$44,000 on White Oaks Road, Heers Associates for two dwellings on White Oaks Road costing \$16,000, Heers Associates for three homes on White Oaks Road costing \$30,000, Hall Construction Company an \$8000 home on Sunnyoaks for J. Fierriera and Romboigh, Inc. building a \$9000 home on Harrison avenue for Millard Development Co.

BILLY WILSON DAY PROGRAM IS GOING OVER BIG

Tickets for the Billy Wilson Day program February 26 at the Campbell High School auditorium are being made available in Campbell, Los Gatos and San Jose today, but unless they are secured soon it is very likely that the S. R. O. sign will be hung out, it was indicated by members of the Police Auxiliary here today. A request for 50 tickets for a bus load from Monterey has been received, other applications from Los Gatos, San Jose, Palo Alto and San Francisco have come in. The auditorium can only take care of 1150.

The premiere showing of the 1954 games of the San Francisco 49ers and of the pro-bowl game at Los Angeles will be shown on this program with many of the team present including Billy Wilson who makes his home here and who was graduated from Cambrian Grammar School and Campbell High School.

Bob Bloom of KEEN is to tape-record the program and feature it on his radio time. New players who have sent word they will be present include Hugh McElhenry, halfback and Bruno Banducci, guard. Joe Perry, Bob St. Clair, John Henry Johnson, Gordy Soltau and Y. A. Tittle are to be present, along with Frankie Albert, radio announcer and former All-American, Bob Fouts the T. V. sportscaster and Phil Bengston, 49er line coach.

Sam Cava is to direct a 12-piece band in college songs. Proceeds for the affair will go entirely toward a youth center fund, the building of which is to be similar to the youth center at Pacific Grove.

Verle Grizzle, local jeweler, is offering a free wrist-watch to any school boy or girl selling the most tickets to the Billy Wilson Day program.

At 11:05 this Saturday morning Ebb Bohn, who puts on the Stars of Tomorrow program over station KEEN will feature Police Officer Tom Casey, Nick DiMuzzio and Joe Anello of Campbell who are doing much of the work shaping up the Billy Wilson Day program.

MRS. IDA PRICE ... First president of the Country Woman's Club of Campbell when it was organized in 1905, proudly holds the re-issue of the club's fifty year charter at the Birthday Tea here Monday at which Mrs. Felix Bersano was chairman. Also on the committee were Mrs. John Perata, Mrs. B. T. Morgan, Mrs. Harry Todd, Mrs. Carl Anderson, Mrs. Anthony Jurras, Mrs. Emil Kollmer and Miss W. G. Grizzle. (See story on page 3).

PLANNERS RELUCTANT TO SPOT ZONE WINCHESTER RD.

Determined that each application for zoning on Winchester avenue will be considered on individual merits, the planning commission at a meeting Thursday night deferred action on an application from E. A. Garrison until he can submit some need for the change particularly in the form of a detailed sketch. Garrison wants his property located 230 feet north of Latimer

avenue on the East side of Winchester Road, then 196 feet north to Garrison Drive and 143 feet down Garrison rezoned from R-3 to C-S-2. Garrison said he wanted to put up a small office on the corner but Horace Logue and other commissioners said some purpose for zoning this extent of property would have to be presented before the commissioners could act and they suggested that a site already zoned for business or on a spot other than an important corner be found for the small office.

Gilbert Lathrop of 306 North Winchester and Bert Simmons of 319 North Winchester Road voiced protests to the zoning change feeling that it may lead to widespread commercial zoning of the road. Garrison said he would have plans ready for the next meeting on February 17th.

NEW KIWANIS CLUB IS FORMED TO SERVE QUITO - SARATOGA AREA

Quito-Saratoga Kiwanis Club is the name adopted Tuesday evening when this new service club was organized at a dinner meeting held at the Quito School. Meetings are to be held each Wednesday at 6:30 p. m.

Elected and installed were Oliver Upton as president, William Christensen as vice-president and C. E. Bradley as secretary-treasurer. Directors are George P. Robertson, Dennis R. Carmichael, Earl L. Herzberg, Samuel Manfre, Vincent Carter, Phillip W. Hurd and Dr. Edwin Stephenson.

William Henley of Campbell, District Lt.-Governor, installed the new officers and presided at opening the meeting, then turning the organizational work over to Dar-

win Smith, field representative for Kiwanis International.

A charter for the club is to be presented sometime in April. The club is sponsored jointly by the Campbell and the Los Gatos Kiwanis Clubs.

Henry Whitman and Gif Sobey of the Los Gatos Club and Henry Jewell and Milton Nelson of the Campbell Club are on the charter night committee. Dave Lingle of Los Gatos and C. E. Bradley of the Quito-Saratoga club comprise the joint sponsoring committee.

Tonight Darwin Smith and Lt. Gov. William Henley conduct similar ceremonies at Cupertino where another Kiwanis Club is being organized under joint sponsorship of Los Altos and Sunnyvale clubs.

Population Gain Noted In Campbell

Population of Campbell is estimated at 7931 today by the San Jose Chamber of Commerce in a bulletin just issued, an increase of 269 from the estimate made by the state at the time of incorporation in 1952. Other population estimates include Gilroy 5,425 from 4951; Los Gatos 6000 from 4907; Morgan Hill 1749 from 1627; Mountain View 14,304 from 6563; Santa Clara 18,000 from 11,704; and San Jose 108,746 from 95,280. Campbell township has 10,146 as compared with 9270 in 1950.

S.P. To Help Pay Crossing Signal Cost In County

The California Public Utilities Commission has approved an allocation of \$3,545 to the County of Santa Clara to help pay the cost of installing better protective devices at the Southern Pacific Company's crossing at Charleston Road Road south of Palo Alto.

This is a main line crossing, where, according to Commission records, eight accidents have occurred since 1940, resulting in seven fatalities and injury to two persons.

The allocation to the County of Santa Clara was half of its 50% share of \$14,180 for two flashing light signals with automatic gate arms. The Southern Pacific Company is paying half of the cost of installation.

Lions Hear About Civilian Defense

A radiological truck was stationed outside the door when the Campbell Lions Club met this week while Al Ellis who is a member of the San Jose State College faculty told about the atom bomb and how the truck can detect danger areas.

It is one of sixteen trucks now in use in California and would be used in civilian defense work in the event of bombing in a major area. Evacuees would probably come to the fringe area and the truck would seek out contaminated fields.

Rex Olson was the program chairman.

A report was made also on the flight of the Lions to Reno and back one evening last week.

Rebekahs' Ham Dinner Tonight

Plans for a ham dinner to be given tonight February 10 were discussed by a committee of Ada Rebekah Lodge Tuesday evening at the home of Mrs. Julius Bachmann at 300 Harrison.

The dinner is open to Odd Fellows, Rebekahs, and the public, and will be served from 6:00 to 7:00 p. m. Committee members present at the meeting were Mesdames Fred Fellman, Lillian Ohlen, Jack Chapell, Ted Fladager, Cy Penhall, Walter Silberbauer, Joe Meckler, and Herman Rice. Co-chairmen of the affair are Mrs. Herman Rice and Mrs. Julius Bachmann.

Kiwanis Quartet Sings At Grange Meet In Campbell

Plans are in the making today at Campbell High School for the regional meeting of Future Homemakers of America which is to be held here on March 5th at which thirteen high schools have already indicated they will send classes.

An executive board meeting is scheduled here for Saturday to complete plans. High Schools which are to send exhibits and students include Los Gatos, Fremont, James Lick, Gilroy, Salinas, King City, Hollister, Pacific Grove, Watsonville, Santa Clara, Monterey and Gonzales.

Adel Charlson is head of the Home Economic department at Campbell High School. At a recent election, at both lunch hours, the spring cabinet was elected. They are 11:00; Pres. Jo Buccellato; Vice Pres. Sallie Tamari; Sec. Masako Kawauchi; Treas., Joyce Takano; Historian, Janice Polglase; Son Leader, Carol Steinmetz; Reporter, Mae Ogata; and at the 12:00; Pres., Leora Scattini; Vice Pres., Sonja Benson; Sec., Harriet Glass; Treas., Janice Nomura; Parliamentarian, Russeline Haggard; Historian, Terry Ninomiya; and the Song Leader is Charlene Carmichael.

Members of Orchard City Grange enjoyed the well known Kiwanis Quartet consisting of C. P. Klassen, Rev. Herbert Neale, Lloyd Nelson and Howard Guilbert who sang five numbers accompanied on the piano by Mrs. Irma Sanders, number 1 "When my Fancy is Running High"; number 2, "Young at Heart"; number 3, "Smoke Gets in Your Eye"; number 4 "I'm A Happy Wanderer"; number 5, "Bones". They received a hearty applause.

The Lecturer also presented Robert Wurfer, executive board member, who gave a 15 minute address on some very suggestive parallels and other facts from the life of Lincoln.

Mrs. Catherine Hallwell gave a brief talk on the origin of Valentine's Day, who also decorated the hall with Valentine decorations.

John Gordon, Dist. Deputy, spoke on the membership drive. Herbert Shadle, Master, reported that the Pomona Grange (County Grange) voted unanimously to support the fight for the Butano Forest for a park. He also announced that Cupertino Grange will receive an award on their Community Service for which they received 3rd prize, inviting the members to their meeting Friday, February 11th.

Secretary Sarah Blue received a beautiful diploma for her prompt and outstanding monthly reports to the State Grange.

Lecturer Josephine Biller announced her program for the next meeting, February 22, to be a Costume Party featuring Washington, Lincoln and other early day costumes. There will be 12 prizes. Neighboring Granges invited to take part.

Mrs. Sadie Proctor, Home Economic Chairman, announced the next meeting this Friday, February 11, at Mrs. Jennie Lytle's home on 100 Alice Way at 1 P. M. Note the time. Bring needles, thread and scissors.

The Grange voted to support the present Hearth Drive with \$5.00. Visitors were Levy Richman and Mrs. Bertha Glass of Gilroy Grange.

Refreshments were served by Mr. and Mrs. Wm. W. Johnson, assisted by Mr. and Mrs. David Rutherford and Mr. and Mrs. Andrew Simonson.

Judge Wm. Jacka Speaks At Rotary

"Our Superior Court" was the subject discussed by Judge William Jacka of the Superior Court who was guest speaker at the Monday luncheon of the Rotary Club. Judge Jacka described the schedule of the seven judges of the court who rotate as presiding judge for five months at a time. Their duties include Probate Court; divorce actions, with an average of seven daily; and the Agnew calendar, which handles an average of eighteen commitments weekly, with approximately 20% of these alcoholics. In California today there are 50,000 mental patients in hospitals, with new patients keeping pace with those being released as cured.

Judge Jacka told the club one judge presides over criminal matters, while the Appellate Courts have three who consider appeals from the municipal courts, and that the backlog of county cases to be heard has been reduced from 1300 to 900. Touching briefly on the jury system, Judge Jacka said business men should give it more consideration and not seek means to escape duty since this forces a jury to be made up of more housewives and retired people.

Chairman for the day was Norman Stoner.

Cherry Lane Dads To Make School Equipment

Two student representatives of the Cherry Lane School, Bill Alvarez and Wayne Schrader, met Tuesday evening with the executive board of the Home and School Club to report on the need for athletic equipment and on school safety practices. The boys also made recommendations for the placement of new benches. Mrs. Ann Meridier, principal, announced the safety trailer will be at the school Wednesday.

Approximately \$100 from the Whist party has been allocated by the club to defray expenses of making new benches for the school. Club members named as part of the committee to work on the benches are Larry Cunha, Owen Peterson and Joe Ray.

Mrs. Leonard McConnell, consultant of the Family Services Association, will be guest speaker at next Wednesday's meeting of the Home and School Club.

MORELAND PTA PLANS FOUNDERS' DAY PROGRAM

Surprises are in store for the members of the Moreland School PTA when they meet to celebrate Founder's Day on Feb. 16th at 8:00 p. m. Mrs. Ernest Speno is in charge of the affair and has sent out special invitations to all the charter members and past presidents. The past presidents are Mrs. Otto Hansen, Mrs. E. L. Allinger, Mrs. George Robertson, Mrs. Kenneth Bitzer, Mrs. Arthur Langen and Mrs. Orsel Davis.

Dads of the school are to be the hosts and will also take part in the Founder's Day ceremonies. It is Moreland Parent Teachers Association's ninth anniversary and the celebration of it is also included in the evening's program. The highlight of the meeting will be when Mrs. G. M. Baker, the district superintendent, presents the Life-membership pin to an honored member. This presentation is traditionally a well guarded secret and the honoree will be very much surprised.

Maj. Lillingston New President G.O.P. Assembly

At a meeting Monday evening of the Santa Clara County Chapter Republican Assembly, Major (Ret.) Howard Lillingston of 512 Old Orchard Road, Campbell, was elected president, Ward Atwood of Cupertino as vice-president, Douglas Bacon of Willow Glen as secretary-treasurer.

EDITORIAL

IS RURAL LIFE DYING?

The County Boundary Commission has delayed action on the proposed annexation move by San Jose which would invade the proposed limits for Cupertino if and when completed. The delay is but a breather, though. We have an idea that if San Jose gets a foot in that door it will be an unpopular step.

Some day we should all think about the processes of continually stretching corporate limits, converting good orchard lands into building sites, changing water tables, drainage courses and roadways to keep up with the demands of an increasing number of home-seekers. The rules set up by the county placing certain restrictions on how water is to be drained into creeks by subdividers and indicating how much must be paid to comply with drainage regulations, is forcing the lands by annexation into corporated limits where new rules may be followed. Then too, there is the manner in which boundary limits may be legally stretched so long as the lands taken in have no more than twelve registered voters, and the site is at least two hundred feet wide. This makes confusion in district boundaries involving schools, fire, reclamation and other taxable properties of areas involving services for mail delivery, telephone prefixes and the routing of school buses.

The sphere set up for Campbell is realistic in that there would be no overlapping of these agencies and services. But it certainly is a jumble the way San Jose has been kicking its border in all directions.

ABRAHAM LINCOLN

Abraham Lincoln is familiar to the American people in many ways as the boy reading by the fire-light, the young lawyer with an endless list of funny stories, the gaunt, shawl-draped figure pressed with heavy problems, the man with the high-pitched voice whose eloquence and clear expressing in his Gettysburg and Second Inaugural speeches will always live, and finally as the victim of the assassin's bullet.

The more one studies the life of Lincoln, the more one admires his character. He made decisions under the most strenuous conditions, with hatred, bitterness, jealousies and ridicule thrown constantly in his path.

But, despite the constant barrage of hatred and ridicule heaped upon him, despite his periods of indecision and bewilderment, Lincoln never lost sight of the real issue: the Union must be preserved. The price the nation paid for that preservation was a ghastly one. But it was worth it. The talk of secession which had been going on for several decades, and had even been voiced by Northern states, was forever silenced. And along with it, the issue of slavery was settled, for all time.

Because Lincoln made the right choice, though an agonizing one, because he stood firm when the world seemed to collapse around him, he made sure that the "government of the people, by the people, for the people, shall not perish from the earth."

VALENTINE'S DAY, 1955

Roses are red, violets are blue,
Sugar is sweet, and so are the memories of days when Valentines were entrancingly beautiful, frankly sentimental creations of lace and ribbon, red hearts and purple flowers—all unfolding to reveal messages of breathless admiration for the pug-nosed, pigtailed angel that lived down the road a piece.

Today the vogue seems to be the sophisticated descendant of the old comic Valentine, bearing such endearing sentiments as "Drop Dead!" or "Are You For Real?"—cynical salutations for an age of tension and doubt, distrust and fear.

Permit us, please, a nostalgic sigh for the days when bleeding hearts were caused by Cupid's darts, not by imagined wrongs to pampered darlings of the Left—when "Roses are Red" could never have been construed as an accusation of horticultural subversion.

END OF THE LINE

The Southern Pacific Company has indicated an intent to cut out passenger service into Los Gatos and only run freight in there once a day. The passenger line would run from San Jose through Campbell to Vasona Junction, then on through Los Altos to San Francisco.

In the meantime the Chamber of Commerce at Los Gatos has asked the town council to consider purchasing the Southern Pacific right-of-way for off-street parking and parks should the company abandon the line.

The Public Utilities Commission asked the S. P. to study cost of running the one train daily round trip from Vasona Junction half way between Campbell and Los Gatos, indicating that fewer than twenty passengers use this service now; so if this terminal were discontinued then only the freight service would be continued.

"FROGGY" WEATHER?

The PG&E, in an advertisement published this week, has quite a bit to say about the extra cold weather we've been having this winter. The other morning several persons came into the plant, each with some remark about the chill day. One stated that it was "froggy" weather, being a combination of both frost and fog. Another remark was that if the chill kept up, someone would surely "croak." But the clincher was that the weather was too thin for ducks and too thick for people, so it must be just right for frogs!

Now Let's Get At The Job!

The Campbell Gambol

TWENTY NINE Years ago here in Campbell was established the first Cub Pack in America by the Reverend Joseph Bennett who had just arrived from England to take over the pastorate at the Congregational Church . . . from this beginning there now are 32,000 Cub Packs in America with 1,160,000 cubs . . . the idea of setting up a group of younger boys to enter scouting on reaching the required age did not at first meet a kindly reception at national headquarters and for about a year there was discouragement from its officials, but the cub pack idea was continued here until it finally got recognition in branching out to nearby areas and finally with national approval . . . some of the early correspondence on the status of setting up this first cub pack is in the archives at the Congregational Church at 49 North Central Avenue, according to the Pastor, Corwin Olds, while the Rev. Bennett who founded the movement is now holding Church services at Saratoga . . . any way this is Boy Scout week, in recognition of a wonderful youth movement for better citizenship, cub scouting we feel being the springboard to this fine project, so pardon us if we bust a button from our shirt in swelling out our chest for living in a city which started one of the greatest of youth movements.

FIFTY YEARS Ago in Campbell when the Country Woman's Club was given its first charter the homes were scattered about and visiting had a constructive purpose for community welfare . . . so when Mrs. Ida Price of Dry Creek Road received a new charter for the club Tuesday at the club house it was the second time in fifty years that she had received the charter, she having been president when the club was founded in 1905 . . . she said on receiving a renewal of the charter Tuesday that we are living in a new era in which the entire world is now our concern, and that we must know world affairs to feel the course of what might be in store for us tomorrow . . . jokingly though and with sparkling bright eyes Mrs. Price whispered to this reporter after the meeting that in the early days when the club was organized she was the first woman here to wear pants in public, although they really were the bloomer type for use in cycling and she sometimes was censured for doing so, which is quite a change from modern living habits.

A FORTNIGHT Ago Clifford

Cassiday did not attend the weekly meeting of the Rotary club but came back to the Campbell Press shop where he is foreman and copublisher, all dressed up with white collar and navy blue suit that evening saying he must have flubbed the dub . . . seems that an evening meeting had been scheduled in place of the regular noon time meet, but he got the dates mixed and had to go to Santa Clara that Thursday to make up his attendance, besides answering a lot of kidding at the meeting Monday as other members asked if he didn't read his own paper in which there was a story giving the correct date and details.

Rotarians To See Guide Dog Film

At the regular meeting of the Rotary Club of Campbell on Monday noon, February 14, Guide Dogs For the Blind, Inc. will present the sound and color film "UNDEFEATED", which illustrates the work this organization is doing to lead the blind away from relief rolls and hand-outs and toward self support.

Guide Dogs for the Blind is of particular interest to people in this area, since its original training school and kennels were established in Los Gatos, later moving to its present location on 11 acres of open country just north of San Rafael, California.

Founded in 1942 by a group of Californians determined that guide dogs should be given without cost to blinded veterans and civilians who gave promise of achieving economic independence through the use of a dog, Guide Dogs for the Blind has done just that. Among the graduates are professional men and women, mechanics, social workers, musicians, teachers, a judge, a minister, an investment counselor, housewives and many others. All these graduates have proven again and again that blindness is an incident in an otherwise normal life after receiving their dog.

The average cost of breeding, raising and training guide dogs and educating the blind to use them is \$1,500 a man-dog unit, yet the blind themselves pay nothing, either for their four-weeks residence training at the school or for their dogs. This is accomplished through public support in annual memberships and contributions.

Cambrian Park To Study Needs For Sidewalks, Curbs

John Chapman has been named head of a committee to seek more information regarding curb installations and sidewalks in Cambrian Park following a meeting recently at the Parker School. He is to report findings at the next meeting March 1.

Mrs. Edward Shaw, association spokesman, said opponents of the services stressed costs and preservation of rural atmosphere. Proponents accented need of curbs and sidewalks to aid appearance of neighborhoods and for safety reasons for children. About 70 persons attended the session.

In other business, officers for 1955 terms were nominated. They included Patti Mathewson, presi-

LAW IN ACTION

THE YELLOW LIGHT

In less than two generations, the California motorist has learned how to get along with red and green lights, but not yellow ones.

You stop at a red light unless you are driving a fire truck, a police car, or an ambulance. You start at a green light, or the impatient driver behind you will honk at you. The meaning of red and green lights is quite clear to most motorists.

But what do you do when the signal shows yellow? Do you step on it and race across the intersection? Or do you bear down on the brake and stop?

Whatever you do, try to stop if you can with safety. The yellow light gives you time enough to clear the intersection if you are already in it. That's the reason for the yellow light.

If you are walking, don't start across the street on a yellow signal.

A flashing yellow light is a warning: Be careful, you are coming to a danger spot. It may be a busy intersection, a pedestrian crossing, or a curve in the road.

You hear much talk about the pedestrian's right of way—or the motorist's. But note, no one has the right of way when his use of it is likely to cause an accident. Nor does having the right of way get you out of a hospital bed any sooner.

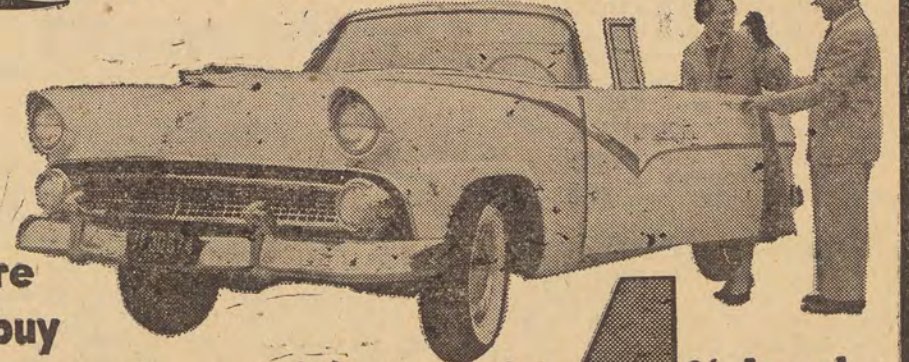

NOTE: The State Bar of California offers this column for your information so that you may know more about how to act under our laws.

Parks Air Force Base near Pleasanton needs nine nurses for staff duty at the 1,000-bed Air Force Hospital. Fort Ord has openings for shorthand reporters, and mechanical, electrical, architectural and civil engineers.

Wooldridge Manufacturing Company of Sunnyvale, sold its capital stock to the Continental Copper and Steel Industries, Inc. of New York. Reported price of \$1,600,000. New owners will continue present operation in full force and announces plans for expansion of its market. Henry Gusman will continue as manager.

The Boy Scouts of America submits an annual report of Congress which granted the organization a federal Charter in 1916.

You want a New Car, too?

Br-r-r-r! was this a California winter?

Colder-than-usual weather has meant higher-than-usual heating costs. If you've been puzzled about this... here is your answer:

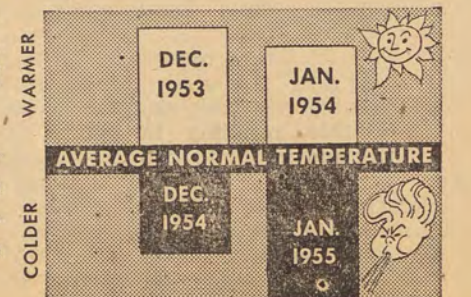

No wonder everyone's been talking about the weather this winter. It's been just plain cold around here—matter of fact, one of the coldest winters in recent years. Remember that long string of chilly days in December and January—six shivery weeks, right around the clock.

Naturally, with weather like this, it took more heat to keep most houses warm. P. G. and E. delivered nearly as much natural gas to homes this December and January—in just two months—as in the three months of November, December and January a year ago. That's how much difference a prolonged cold spell can make. (Most homes need more electric lighting this time of year, too . . . because of the short, darker days.)

So if you check your bills for this December and January and find your heating costs are higher than last year, it's almost entirely because of colder-than-usual weather...and the

fact that most California homes aren't built for it. (For example, those big picture windows we Californians like so much let in almost as much chill as sunlight. And most homes aren't sufficiently insulated, either.) But maybe there's one good thing about a winter like this after all: It's sure going to make spring seem extra nice, isn't it?

This chart tells the story: It's certainly not your imagination that this winter has been colder than last. The bars below show how much above normal the average temperature was last winter, and how much below it's been this year.

Brownie Troop Invested At Dover

Fifteen second grade girls of the Dover School became Brownies recently when newly formed troop 379 held its investiture in the kindergarten room at the school. Among enthusiastic friends and relatives were Duane Beaubien, principal, and Mrs. Jerry Collins, neighborhood chairman. Mrs. Collins spoke briefly on national and world aspects of scouting.

After a flag ceremony, the girls sang several songs from the "Ditty Bag" and told why they wanted to become Brownies. Escorted by intermediate Scouts Lynn Baker and Judy Lew from troop 14, they were whirled and twirled into being full fledged Brownies, receiving their caps and pins from their leaders, Mrs. Arthur Gillespie, Mrs. Glen Stevens and Mrs. C. D. Marston.

The troop meets at the home of Mrs. Herb Ratner, 1731 Willow Street. At present they are working on projects for birds and are planning a trip in the near future to the home of Mr. and Mrs. Paul DeWolf in Cupertino who are well known bird lovers of Santa Clara Valley.

Brownie members of the newly formed troop are Michele Fisher, Susan Gillespie, Susan Gire, Judy Hall, Pamela Kyes, Dawn Marron, Patti Perry, Phyllis Pratt, Denise Ratner, Demetra Sarris, Caroline Schmidt, Gail Stevens, Rosemary Ventura, Ann Zavlaris, Cindy Wood, and Joyce Buttermann.

Improvement Club To Discuss Annex Problems

The San Tomas Improvement Club will hold its regular meeting Thursday evening at 8:00 p. m. in Smith's Rumpus room at 421 San Tomas Road.

Problems involving annexation will be the subject discussed by Steven Ridgely. Anyone interested in this community problem is urged to attend this meeting, according to Milton Parker, president of the club. Refreshments will be served at the close of the session.

VFW Auxiliary Plan Card Party

The Ladies Auxiliary of the Veterans of Foreign Wars sewing group held a potluck luncheon at the home of Mrs. Horace Sargent at Hacienda and Virginia avenues yesterday at which time plans were made for the annual card party on March 25 to be held at the Country Womens Club.

Mrs. William Phelan is chairman of the card party committee. Hostesses for the sewing group yesterday were Mrs. Horace Sargent and Mrs. Thomas Smith.

Nurses Change Meeting Date

The board of directors of the Santa Clara County Nurses Alumnae met Friday evening in the home of Mrs. Verle Grizzle, president, at 49 Poplar Avenue to outline the program for the coming year. A decision was made to change the meeting night from Wednesday February 16 to Thursday, February 17, and to hold the next meeting at the home of Mrs. Emile Roggy at 30 N. Willard in San Jose.

Country Women Observe Golden Anniversary

The fiftieth anniversary of the Country Womens' Club was observed Monday afternoon in the clubrooms of the Library building with a formal Tea and social hour. Mrs. Ira Price of Dry Creek road, the club's first president who served from 1905 to 1908, was the out-standing guest of the day.

Judge Martin S. Walsh presented the club with a renewal of articles of incorporation. The first incorporation papers were approved by the State of California on February 4, 1905 and were valid until February 4, 1955.

Mrs. Lloyd Brown and Mrs. Walter Elkey presided over the tea table beautifully decorated with arrangements of bird of paradise flowers and the gleaming new silver tea service.

Chairman of the day was Mrs. Felix Bersano who was assisted by Mesdames John Perata, D. T. Morgan, Harry Todd, Carl Anderson, Anthony Jurras, Emil Kollmer, Ida Price, and Miss W. G. Grizzle.

Mrs. G. H. Parker will be chairman of the next meeting and will announce her program at a later date.

Dover Slates Panel Discussion

A continuation of the panel discussion "Report Cards; past and present" is scheduled for the next meeting of the Dover Home and School Club at 7:30 p. m. Monday evening, February 14. A new member has been added to the panel, Mrs. Otto Petterson, district coordinator for the Campbell Union Schools. Other panel members are Mrs. George Ingram, Pete Fransuch, Duane Beaubien and Pat Koster.

First grade students of Miss Marilyn Ramey's class will entertain the parents with a Valentine poem and a Valentine Greetings dance. Following the program there will be a social hour during which refreshments will be served.

Bill Maderis' Make Trip To Points South

"You can believe everything you have heard about Southern hospitality, it's fabulous", said Bill Maderis, owner of Maderis Foods, who has just returned from a two week winter vacation trip with friends to New Orleans, Havana, Cuba, and Florida. Accompanying Mr. and Mrs. William Maderis on their southern jaunt were Mr. and Mrs. Sal LoBue of San Jose his brother and wife, Mr. and Mrs. Marco LoBue and daughter Marie of San Jose; and Mr. I. Rancadore of San Jose.

The group flew to New Orleans on the first lap of their trip where they spent seven exciting days filled with rounds of dinners and parties given by friends and relatives of the LoBue's and attended the wedding and reception of a nephew, Andrew Pepitone to Jacqueline Ferro. As a climax to their visit they all attended the spectacular Virginias Ball which is strictly formal and is presided over by a King and Queen who later participate in the famous Mardi Gras parade and carnival.

Upon leaving New Orleans they all flew to Havana where they stayed at the Nationale Hotel and toured interesting spots in Cuba. Here they visited a Rum distillery, and were guided through a beautiful Catholic Church, St. Elizabeth's, which contained one hundred year old paintings executed with a three dimensional effect, went to the Bamboo Room to the Tropicana Club which is said to have the most beautiful open air theater in the world. Especially intriguing to the women were the large varieties of alligator shoes and bags displayed in shops.

From Cuba the travelers flew on to Miami, Florida, where they made their headquarters at the Casa Blanca while they visited Hialeha racetrack, the famous alligator pits, Everglades and the

Garden Club To Hear About Indoor Gardens

A specialist in indoor garden design, Lawrence Lake of Palo Alto, will be guest speaker at the next meeting of the Campbell Garden Club on Wednesday, February 16, at 2:00 p. m. in the clubhouse. Lake is well known for his unique indoor gardens and also as a teacher of the uses of driftwood, manzanita and other complementary materials. His most spectacular garden measures 30 feet in length and uses pieces of driftwood seven feet in height which are combined with plants and foliage.

President Dorothy Dunn announces there will be a discussion of the coming Spring flower show, and a report on work with the planning commission regarding Kwanzan cherry trees. Mrs. A. F. Leal is program chairman.

At the last meeting Herbert Franks, garden designer from Menlo Park, gave an interesting talk on garden design, stressing the use of mass planting; Mrs. George Kolze gave a short report on a recent district meeting at Oakland; and Mrs. Alfred Drake, garden consultant, urged members to hasten the planting of bare root stock and finish pruning roses.

Corsages were presented to John Thompson and Mrs. J. D. Leavy to welcome them into the club as new members. Voted into the membership were Mrs. A. A. Higdon and Mrs. E. A. Brian. Guests were Mrs. J. C. Azevedo, Mrs. Henry George, and Mrs. F. C. Heyl.

Last September Boy Scouts distributed a million fire prevention posters.

St. Lucy's Slates Fashion Show

There was a large turnout of members last Thursday when St. Lucy's Womens' Club held the regular monthly session in the meeting room of the Parish School. Mrs. Richard Bowen, president, conducted the business meeting devoted to a report given by Mrs. Joseph Souto on the recent successful card party of which she was chairman, and to discussion of plans for the St. Patrick's Day Luncheon and Fashion Show to be presented in conjunction with St. Lucy's Mothers' Guild.

The business meeting was followed by a social hour with refreshments served from a table appointed in the Valentine theme. Hostesses of the day were Mesdames J. F. Levenberg, Norman orvello and Clifford McCoy.

Founders' Day At San Tomas

Founders Day will be commemorated by San Tomas P. T. A. on February 15, at 7:45 p. m. in the school cafeteria. Past presidents will be honored guests and will speak on their terms of office. A history of San Tomas P. T. A. will be read by Robert Farrell.

A highlight of the evening will be a presentation to some member or members, whose identity will be disclosed at that time, in recognition of outstanding service to the community. Musical numbers will be sung by the third and fourth grade chorus. Mrs. Orrin Lawson is chairman in charge of the program.

Rosemary Learns Adults' Effect On A Child's Future

A film "Preface to Life" was the main presentation on the program of the Rosemary Home and School Club which met Tuesday evening. The film showed the influence on the life of a child by everyone with whom he came in contact from birth to maturity, and how the dreams of parents for their child's future effects their behavior toward him. It stressed the most important thing in a child's life is to have a happy and secure home; security meaning the love of his parents.

During the business meeting presided over by Burnard Clark, Mrs. Al Cobb, chairman for the March of Dimes in the Rosemary School district, reported the total amount collected by her committee was \$372; and Mrs. Roy Pinkston said a Fashion Show is being scheduled at the school for March 25.

Entertainment was provided by the orchestra, under the direction of Wallace Johnson, and the chorus, directed by Mildred Callister and Bruce Stevenson. The orchestra played three selections, "In a Glider", "Autumn Waltz" which featured the clarinets; and "Blue Bells of Scotland" featuring violins and violas. The mixed chorus sang "Old King Cole" and "The Sandman".

Refreshments were served at the close of the meeting.

Springdale Mushroom Farms of Monte Vista, will operate a sizable cultivation and processing mushroom plant on East Side of Monterey road at Morgan Hill. Principals are O. A. Davenport and Roy C. Springer of 1039 Thornton Avenue, Newark. Plant at Monte Vista is closed.

Parade Feature For Campbell's Old Settlers' Day

Plans got under way last night for a parade which is to be one of the big features of Old Settlers' Day celebration in Campbell, as the committee named Guy Smith as the committee chairman and said parade applications will be received from groups and organizations. Dr. Robert Jasmine, general committee chairman, said also that details are now being worked out for a queen contest.

The committee was concerned last night mainly with getting the facilities set up for a big celebration.

New Minister Is Called For First Baptists

Rev. F. W. Strickland, of Snyder, Texas, has accepted the pastorate of the First Baptist Church of Campbell at 81 North First.

REV. F. W. STRICKLAND
... Takes First Baptist Post

Street. Mr. Strickland was pastor of the Avenue "D" Baptist Church in Snyder for three years. He is a native of Rotan, Texas. He is a graduate of Hardin-Simmons University, Abilene, Texas, and the Southwestern Baptist Theological Seminary of Ft. Worth.

While a student in High School he played football having lettered at end. While in College he served as president of the Student Ministerial Alliance and was elected to Who's Who among students in Universities and Colleges.

Mr. Strickland is married to the former Mamie Gene Deel of Rotan, Texas. The couple have three children, Reva 14, Gay Lynne four, and Joe Wendell, nine months.

While pastor of the Avenue "D" Baptist Church the church experienced a phenomenal growth. There were 99 additions by baptism and 325 by letter and transfer during the three years. The church built a pastor's home, a new church building, and bought additional property for parking. The new church building was paid for within thirteen months after its erection. The Sunday School grew from four classes to a fully departmentized school, with over four hundred enrolled.

Sunday, February 6, was Mr. Strickland's first day as pastor of the church. He spoke at both services.

140 Boy Scouts were honored in one year by their National Court of honor for saving or trying to save life.

More than 10,000 Scouts and Leaders enjoyed high adventure camping at the 127,000-acre Philmont Scout Ranch near Cimarron, New Mexico last year.

All sections of the 2,050-mile Appalachian Trail were followed by 799 Scouts and Explorers last year.

Joan Schallich Weds C. McMurray

The First Methodist Church was the locale for the afternoon ceremony which united Joan Schallich and Clarence Albert McMurray in marriage last Saturday. The rites were performed by Reverend Herbert Neale before a flower-banked altar.

For her wedding Joan chose a ballerina length gown of lace over white satin which featured a fitted bodice and bouffant skirt, and a finger tip veil caught to a tiny cap edged with lace. She carried a bouquet of lily of the valley centered with a double orchid when escorted down the aisle by her father.

Matron of honor was Mrs. Eugene Barnes of Corning, who wore a pink crystalet gown styled with a front pleated panel, and carried a bouquet of pink carnations. Maid of honor was Myrtle Hertrick who wore a green crystalet gown and carried a matching bouquet of flowers. The two bridesmaids, Nancy Hertrick and Shirley Trija, wore identical gowns of crystalet in aqua and yellow and also carried matching bouquets of flowers.

The bride and her attendants were preceded by little Sharon Demo as flower girl. Russel Demo served as best man while Bob Schallich, Russell Demo, and Lloyd Ciraulo of San Jose acted as ushers. For her daughter's wedding Mrs. Schallich selected a dress of blue-grey and pinned on a corsage of white carnations.

Joan is the daughter of Mr. and Mrs. Henry Schallich of 1020 Burrows Road and sister of Bob. She is a graduate of Campbell Schools, and, until her wedding was employed by the Corning Observer, in Corning, California.

Clarence was attended at the wedding by his aunt and uncle, Mr. and Mrs. Sid Hazen, of Corning. He has completed a four year tour of duty with the Navy and is now employed by Western Electric Company in Sacramento.

Following the ceremony a reception was held in the social rooms of the church, and after which the young couple left for their future home in Sacramento.

SCOUTS OBSERVE 45th BIRTHDAY

OFFICIAL BOY SCOUT WEEK POSTER

Boy Scout Week, Feb. 6 to 12, marking the 45th anniversary of the Boy Scouts of America, will be observed throughout the nation by more than 3,660,000 boys and adult leaders. Since 1910, more than 22,750,000 boys and men have been members.

"Building for a Better Tomorrow" is the birthday theme. Members of 95,000 units, through demonstrations and exhibits, will dramatize the purpose of Scout-

ing and the rich heritage it has in this country.

Boy Scout Week marks the completion of the first year of the National Conservation Good Turn the organization has undertaken at the request of President Eisenhower. Units which have qualified will receive National Conservation Good Turn Certificates of Merit awarded jointly by the Secretaries of Agriculture and the Interior, Ezra Taft Benson and Douglas McKay, respectively.

Cub Pack 9 Of Campbell

AMERICA'S FIRST CUB PACK CELEBRATES BOY SCOUT WEEK

Campbell Cub Pack 9 jumped the gun on Boy Scout Week with a gala Fathers-Sons Dinner on Friday evening, February 4th, at the High School Cafeteria.

Campbell has the distinction of sponsoring the original Cub Pack in the United States, Cub Pack 9 having been founded here by the Reverend Joseph Bennett after his arrival from England in 1926. The institutional sponsor is the Congregational Church of Campbell.

Guests at the dinner included Mr. Theron Finstead, representative from the Congregational Church; Mr. Vincent Diehl, Scoutmaster of Troop 31, also sponsored by the Congregational Church; and Mr. Clarence Asplund of the Pacific Gas & Electric Company, who showed the film, "Eager Minds", which depicts the history of electric lighting.

Cubmaster Ralph Kallam presented the following awards to members of Pack 9:

Den 9—Gus Gladding, Bear Badge; Bruce Tichinin, Bear Badge; Mike Handley, Gold Arrow on Wolf Badge; David Thompson, Denner's Badge; Gus Gladding, Assistant Denner's Badge.

Kiwanians Honor Boy Scout Week

Scouting was the topic for the Campbell Kiwanis club meeting Tuesday with members of the club's troop, No. 28 being present to receive their charter from Assemblyman Clark Bradley, member of the district executive board for scouts. Laurance Hill was the program chairman. Present also was Darwin Smith, field representative for Kiwanis International.

John Duncan, troop 28 chairman presented membership cards to his committee, Bill Henley, Homer Hyde, Larry Hill, Ed Merrill, Lloyd Brown and William Enoch, also to his troop leaders Charles Childs, Merle Dodd and Ken Robinson.

Jack Guio, senior patrol leader introduced patrol leaders Bill Duncan who talked on camping, Bill Enoch on the lay of the land, Cliff Reynolds on live-in camping, Lancia Waters on cooking, Scribe Ronnie Dodd on swimming and Gary Hayes on signalling.

Homer Hyde, visiting Rotarian and troop committeeman, said that because the community service fund quota was short last year, scouting funds will have to be replenished with new monies being collected this week in order that scout work may be carried on.

Joe Agostinho presented a 3-year pin to Lloyd Nelson and a 6-year pin to Dave Sanders for perfect attendances. Present also at the meeting Tuesday were Irwin Smith of Santa Cruz, Henry Baer of Sunnyvale, Victor Engberg from Minneapolis, Darwin Smith of Chicago, Assemblyman Clark Bradley of San Jose and Howard Guilbert of San Jose. Russell Cahill, high school student, was guest of the club.

It was announced that Campbell and Los Gatos Kiwanis Clubs are sponsoring the new club organized last night at Quito while Cupertino is sponsoring the club being organized tonight at Cupertino.

Mrs. Clara Baldwin of 96 E. Rincon is showing improvement after her bout with Flu. Her daughter, Mrs. Ellen Brown of Willets, is home for a visit and making the house cheery.

Mrs. Olivia Lochney of Los Angeles was feted with a family get-together Saturday evening at the home of Mr. and Mrs. Verle Grizzle on Poplar Avenue. Mrs. Lochney is a friend of long standing with the Grizzle families.

RAILROADS HOLD CUB INTERESTS

Pack 10 held its January Pack meeting at the Cambrian School cafeteria Friday, on the theme of railroads.

These awards were delivered on a model train in keeping with the theme.

The following boys had made

models which were on exhibition: Dean Bowman, John Wickliffe, Randy Tonascia, Clark Heinrich, Dickie Dodge, Gary Vogel, Henry Rapheld, Melvin Wickliffe. These boys under the leadership of Mrs. Wickliffe put on a railroad skit. Mr. Leonard Wickliffe acted as the conductor who answered anything the boys asked in order to explain railroading. Mel Wickliffe acted as the brakeman on the train.

Other boys who made models were Tommy Rapheld, Tommy Gerin (a tower), Clarence Helmbold, Billy Porria, (a roundhouse), Mike George (a tender), Bill Fuller (an engine and a caboose), Richard Rose (box car), Joe Civiletti (freight car), Harold Brown (box car), Richard McAllister (a flat car), and David Bichmann (an old-fashioned engine).

Mr. Wickliffe explained what a train was, uses of torpedoes and flares, and demonstrated signals. The evening's program ended with a Southern Pacific film, "Men, Wheels, and Power".

One of those present who helped greatly to make the meeting the success it was, was Freddie Helm-

Quito Park To Hear Rev. Bishop

Blaine Bishop, pastor of the Calvary Baptist Church of Los Gatos, will be the guest speaker at the First Baptist Church of Quito Park on Sunday, February 13, at 7:30 p. m. Reverend Bishop has chosen "Our Salvation" as his topic. He is well known in this area for his Sunday morning programs on radio station KEEN.

bold. This boy brought and set up his fine model trains and tracks which he himself had built.

Next Tuesday, February 8, Pack Ten will participate in a Roundtable. The den mothers have been busy with their boys in getting ready for this event. It will be held at 8 p. m. in the Cambrian School cafeteria. The boys have been very busy with a skit on Knighthood. Further they have been making their own coats-of-arms, shields, lances and spears, helmets and suits.

Cub Scouting IN AMERICA PROUDLY SALUTES YOUNG MEN WITH A GOOD MOTTO!

February 6 to February 12 is the Anniversary Week of the Boy Scouts of America — Celebrating Years of Achievement!

"Be Prepared" is the motto that inspires thousands of young American boys in their Boy Scout work. And they are preparing—for a worthwhile future as outstanding men! We cannot estimate the greatness of the work of this fine organization, but we can pause and pay tribute to them as they celebrate their 45th anniversary of their founding!

Youth in Campbell is closely associated with the Boy Scout movement today as it has been for many years past. It was here that the first Cub Den in America was founded and from here Cub packs have spread throughout the nation. Cubs on reaching the required age advance to become Boy Scouts.

This week, February 5 to 12, is to be Boy Scout Week, and the 1955 theme is to be "Building for a Better Tomorrow." That is what the 20 million or more boys and men in America have been doing since the start of the movement back in 1910.

Too much emphasis cannot be placed

on the need for adult leadership. This is a sacrifice of time to be true, but it gives a satisfaction to build better citizens—a sort of pleasure which has no equal.

In extending best wishes for the continued success of the Boy Scout movement in the years ahead, let us also feel a justifiable pride in the fact that it was here in Campbell that the Cub Pack movement was begun in the United States, and from which has sprung 32,000 Cub Packs in America today with 1,160,000 Cub scouts actively enrolled. Rev. Joseph Bennett, arriving in Campbell in 1926, started the pack here, patterned after the setup he was familiar with in England.

BUCS TO MEET COMETS
HERE TOMORROW NIGHT

—by Bob Olson—

Having overcome another hurdle in their march toward a third straight SCVAL conference title, the Campbell High Varsity Basketball five hosts the mighty mid-gets from James Lick High in a conference game tomorrow night in the local gymnasium.

THIS WEEK'S BIG GAMES
James Lick at CAMPBELL
Santa Clara at Fremont
Washington at Los Gatos
Mountain View bye

The Comets have already shown surprising moments of speed, aggressiveness, and power in a season which has been mostly one of defeat for them. Because Los Gatos forward Jim Fuller had another of his big twenty point evenings, Lick lost to the Wildcats, 52-45, last Friday night while Campbell was defeating Mountain View 65-58.

Most of all, the Comets lack height. They have a good rebound man in Leon Donahue, the only six

Wins Wrestling
Competition

Russ Camilleri, graduate of '54, a member of the frosh wrestling team at San Jose State, took first place in his division January 29 in the free style wrestling try-outs of the Regional Pan-American Games, under the auspices of the US Olympic Assn., at Treasure Island.

Russ, undefeated in wrestling for two years, helped bring home to Campbell the Northern California High School Wrestling Tournament title and the SCVAL wrestling championship. Russ has also helped Campbell tie the SCVAL football championship for two years.

Russ was a member of the Eta Phi Hi-Y and Block 'C'.

TENNIS PRACTICE
UNDER WAY

Practice for the High School tennis team is under way.

Three lettermen will return to the team. They are Tom Goulding, John Davis, and Nat Meleen. Coach Gugat's team will have a full schedule this year. The first game of the season will be at Campbell, Tuesday, March 1, with San Jose High.

Bruce Allen Is
Busy Legislator

SACRAMENTO — Assemblyman Bruce F. Allen, of San Jose, has originated or co-authored 136 bills in the current session of the California Legislature.

After being introduced, 37 of his measures were referred to the Assembly committee on conservation, planning and public works for study after the Legislature reconvenes February 28. The committee primarily considers proposed legislation affecting California's water development and other public works.

Among committees to which the

DEFEAT SAN
LORENZO

The Campbell High Varsity Wrestling team handed the San Lorenzo Rebels a 26 to 18 loss last Tuesday. That was the second loss for San Lorenzo at the hands of the Bucs. This win boosted the Buc win streak to eight straight. In the first meeting between these two teams Campbell won 23 to 21.

Buc Lightweights
Lose First Game

The opening game tomorrow in the local gymnasium pits the number two and three teams in the SCVAL Lightweight Division against each other.

Having defeated the Buc Lightweights 41-32 in the preliminary game at Mountain View last Friday night, the Eagles now look like shoo-ins for the junior title with their four big victories, Dwight Klassen, John Bogonyi, Greg Rocha, and Larry Weber played their usual good game for the young Bucs, but Mountain View's brother team of Frank and John Escobar were too much for Campbell since they paced the Eagles with twelve points apiece giving Mountain View their eighth straight season victory. Campbell sophomore forward, Roger Almquist, was high point man for the Bucs with eleven points.

Lick's lightweights are coached by Dan Fukushima who has a great squad built around Gerald Wash, Bob Gallegos, and Ed Alvarez. At the start of the season Fukushima's star was Hiromi Miyahara, but this forward was lost to the Varsity because the boy was two weeks too old for lightweight play.

Lick's Thirties have won three of four conference tilts while the young Bucs now have a two-one record.

CAMPBELL PRESS

SPORTS

SPORT
SHORTS

Spring Sports at the high school are already starting. Turnouts in February and March always top those of December and January but, even so, no one can accuse Campbell High of practicing the star system. Fifteen boys are out for Varsity basketball, fifteen for "B" basketball, thirty for JV basketball, coached this year by Chuck Crampton, who will head Camden High's hoopsters next season. Thirty-three boys participate in Varsity Wrestling and 44 are on the JV Wrestling team. Seven practice rooms are used every week night.

Campbell High has a special Boys' class which gives those students unable to participate in a regular physical education program an opportunity to learn activities and skills on a modified basis dependent upon their physical abilities or disabilities. The whole high school athletic program aims to encourage a better student adjustment.

The boys in the special class are helped to develop constructive, wholesome, and satisfying habits.

Campbell High wrestling teams have finished first or second every year since joining the SCVAL. This year matmen recently won their eighth straight match, defeating San Lorenzo 26-18. Two big dates face the grapplers: the SCVAL Finals at Los Gatos on Thursday, February 17th, and the Northern California Tournament to be held in Tulare, this year, on Saturday, February 19th. Today the wrestling squad travels to James Lick High for the league match which will probably decide another SCVAL championship. The Comets are undefeated in league matches and finished second in the championship race, won by the 1954 Buc matmen.

The 1955 Varsity Baseball Team is engaged in chalk talks under Coach Mel Stein. Baseball is a thinking game as well as a physical sport, and more than any other high school sport, diamond play demands a clear head as well as a strong arm.

History Club To
See Film On Life
Of Edwin Booth

Prof. Joseph Murphy of the University of California staff is to discuss the current problem involving Formosa at the next meeting of the History Club of Campbell High School. The club with 36 members study current events and attend historical movies as a group.

Recently they saw Walt Disney's production of the 19th century Jules Verne story, "Twenty Thousand Leagues Below the Sea" with James Mason as Captain Nemo thinking ahead a hundred years to the era of submarines and atomic explosions. Next was to be "Bridges of Toko-ri" which is based on the Korean War and jet warfare, while the March film will be "Prince of Players" the story of Edwin Booth, great Shakespearean actor and brother of Lincoln's assassin.

New Liquor Store
To Open Monday

Mr. and Mrs. Bill Walker of 245 Harrison will open a new liquor store at 771 Meridian on Monday, February 14. They formerly operated a liquor store in San Jose for three years.

The Walkers lived in Pasadena for five years during which time Bill was buyer of liquor for the Huntington Hotel, and have now lived in Campbell at 245 Harrison for the past three years. Bill was born in Switzerland, served in the United Armed Forces with the 4th Infantry Division, and was awarded the Purple Heart for the Normandy invasion. His wife Lois is the daughter of Mr. and Mrs. J. H. Bachman of 300 Harrison Avenue. She attended Campbell Grammar and High Schools. Their son Billy attends Kindergarten at the Hamilton School.

Scouts of 56 nations belong to the International Scout Conference. The 5,561,993 boys and leaders have common ideals and similar activities and uniforms.

3,660,000 members of the Boy Scouts of America now belong to 95,000 Units.

Heart Funds For Use In County

A renewal of this community's
war against diseases of the heart
and blood vessels is under way,
with the opening of the 1955 Heart
Fund campaign which will con-
tinue through February.

Leaders of Campbell area who
are actively assisting this annual
appeal include Dr. Thomas P. Mc-
Niff and Mrs. Dan W. Clark.

In appealing to citizens of Camp-
bell and throughout Santa Clara
County to support the drive, H. O.
McCormick, county chairman of the
Heart Fund said:

"All contributions we receive
will be used by the Santa Clara
County Heart Association to sup-
port a three-way attack on the
heart diseases through research,
education and community heart
projects.

"In this county we are assisting
research projects at Stanford Uni-
versity and the University of Cali-
fornia, together with similar work
at our County Hospital and two
community projects, the "Heart of
the Home", a work simplification
instruction program for home
makers, and "Cardiacs in Indus-
try", which assists people with
heart ills to find the right jobs and
to live happy and productive
lives".

Death Claims Mrs. Maria Pesch

Mrs. Maria Pesch, 88 years of
age, passed away Sunday at her
home at 751 S. Winchester Road
after a short illness. She was a
native of Germany and had lived
in San Jose for 55 years before
coming to the Campbell area 22
years ago, where she was a mem-
ber of St. Lucy's Church.

Mrs. Pesch is survived by five
children, Elizabeth Pesch of Camp-
bell, John Pesch of Palo Alto, Ann
Bricknell of Campbell, Mrs. Bertha
Mattice of Oakdale, Mrs. Ruth
Ballin of Los Gatos, and two
grandchildren.

Funeral services were held Tues-
day at 9:00 a. m. in the Darling,
Fischer and Krug Memorial Chap-
el, followed by Requiem High Mass
at St. Lucy's Church. Interment
was in Santa Clara Catholic Cem-
etery.

KINGSLEY SMITH PASSES AWAY

Funeral services were held Mon-
day at Darling-Fischer Garden
Chapel in San Jose for Kingsley L.
Smith of 103 Edelen Avenue, Los
Gatos, who died Friday in a Camp-
bell rest home after a brief illness.
He was a retired machinist and
native of Santa Cruz, age 83.

Interment was in Oak Hill Mem-
orial Park.

Death Claims Mary Gonzales

Funeral services were held Tues-
day morning for Mrs. Mary Gon-
zales, 27, at the family home at
189 McGilincy Lane, followed by a
Requiem mass at Holy Family
Church in San Jose. Mrs. Gonzales
died Sunday in a San Jose hospital
following a brief illness.

She leaves her husband, Jose; a
daughter, Isabel; and two sons,
Joseph and Richard, all of Camp-
bell; her father, Nicholas Perez,
and a sister Carmen Perez, both of
La Habra, Orange County.

Interment was in Calvary Cem-
etery, in San Jose.

Courtland Watson Claimed By Death

Courtland O. Watson, member of
a pioneer Campbell family, died
Sunday in Tuscan, Arizona, fol-
lowing a long illness. He was the
son of the late Leroy and Carrie
Watson of Campbell, a graduate of
Campbell Grammar and Campbell
high schools, and of Stanford Uni-
versity. Ill health had forced him
to move to Arizona a number of
years ago.

Watson leaves his widow, Eliza-
beth, of Tuscan; a son, Courtland
of Tuscan; and aunt, Mrs. Edith
Barker of Campbell; and a cousin,
Mrs. Dorothy Trevethan of Camp-
bell.

Life long friends of the Wat-
sons, Mr. and Mrs. Joe Gomes, of
Campbell, left Sunday night to
attend the funeral services which
were held Wednesday in Tuscan.

Brownies Hold Valentine Party

Fourth grade Brownie Scouts of Troop 315 of Cherry Lane School held a valentine party for their third grade sister Brownies of Troop 386 on Wednesday February 9, at the home of their leader Mrs. Clifford Cunha. For the occasion Troop 315 made valentine favors and invitations for their guests, and Mrs. Clifton Franklin, leader of Troop 386, planned a program of songs and singing games. Brownies of Troop 315 have also found time to make and embroider valentine handkerchiefs for a ward at Agnews.

Members of Troop 315 are Ruby Adams, Joyce Bruce, Yvonne Chapman, Carol Cunha, Darlene Gravatt, Donna Hartman, Darneal Lee, Colleen Mayer, Jane Morton, Marcella Paradiso, Sue Robison, Pam Scoville, Sharon Williams, and Mrs. Ken Robison, leader. Members of Troop 268 are Judy Campbell, Pam Demartino, Jeanette Deshlevy, Ann Franklin, Kitty Lloyd, Pam Mulligan, Dolores Thompson, and Janice Waldo.

Bill Chestnut To Direct New Play For Footlighters

At their regular monthly meeting Tuesday night, the Footlighters set April 22nd and 23rd for production of their Spring play "Goodbye My Fancy". The three-act comedy will be directed by Bill Chestnut who is well-known in this area for his Little Theatre activities and who has had a professional background of acting experience.

Open tryouts for casting of the play will be held Wednesday and Thursday evenings, February 16th and 17th at 7:30 in the Campbell High School auditorium. Anyone interested in taking part in the production, either as a character in the play or working backstage on costumes, properties or stage sets, is invited to attend.

"Chuck" Stephens was in charge of the program for the evening and gave a very informative and interesting "lesson" to the Footlighters on the use of stage lighting and operation of the lighting equipment. Mr. Stephens has also been appointed to act as Business Manager for the club. Refreshments were served by the Parkers and Hodges.

FIRE DESTROYS HOME

The two-bedroom home of the Paul Copes at 20918 Laurel Drive in Alderbrook Heights was destroyed by flames Tuesday afternoon. Mrs. Cope and her two year old son saw the blaze on returning from a neighbor's. Crews from Alma station and the Division of Forestry were unable to bring it under control. Damage was estimated at \$7000.

There are 1,160,000 Cub Scouts in 32,000 Cub Packs throughout the United States.

State Chamber Reports County Payroll As Sixth

Santa Clara County ranks sixth in the State on the basis of both manufacturing employment and factory pay rolls, according to the Research Department of the California State Chamber of Commerce.

During the third quarter of 1953, manufacturing employment in Santa Clara averages 37,914 workers while the county's annual payroll for manufacturing in 1953 reached \$117,759,000.

In its recently published "Economic Survey of California and its Counties—1954" the State Chamber reveals that Santa Clara's largest manufacturing activity, that of food processing, ranked second in the State in terms of employment. During the third quarter of 1953 the food processing industry employed 21,594 persons out of a total of 37,191 employed in all manufacturing industries, or 58 percent of the total. Santa Clara's 140 canneries, freezing plants, wineries, bakeries, bottling plants and other food establishments disbursed \$19,476,835 in pay rolls during the third quarter of 1953. Neighboring Alameda County with 216 firms, during this same period employed 29,978 persons and disbursed pay rolls amounting to \$19,880,799. Los Angeles County, leading in all categories of manufacture, listed 840 food processing firms with pay rolls of \$166,826,000 employing 41,977 workers.

Santa Clara is one of the State's 58 counties covered individually in the Chamber's 300 page survey, published every four years by the State of California. The data, collected and compiled by the State Chamber, will be used by marketing and business research agencies, management consulting, factory locating services, libraries and information services throughout the country. Information on each county includes population, incomes, manufacturing, mining, business, agriculture, resources and trends. In an effort to give a comprehensive picture of each county in the State, the survey includes a brief account of each county's history, topography, climate and tourist attractions. Uniform tables on economic data also afford quick and easy comparison for each county.

In its report, the Chamber had this to say about Santa Clara county's favorable agricultural and industrial "climate":

"During the years 1947 to 1953, there were 317 plant expansions representing expenditures of \$72,026, 183 and 169 new plants were established with a capital investment of \$134,233,200. The totals were 477 new or expanded plants having a capital investment of \$206,259,383.

"Santa Clara County is one of the most productive agricultural counties in the State and its food processing plants draw heavily upon its crops as well as those grown in other nearby areas.

"Total value of farm products rose from \$21,630,350, in 1940 to \$94,158,817 in 1953. Leading crops with 1953 valuations were: prunes, \$16,810,000; apricots, \$9,705,800; strawberries, \$7,067,250; cherries, \$5,044,820 and pears, \$4,921,481."

CHRISTIAN SCIENCE

Healing through spiritual means as practiced by Christ Jesus will be a topic dealt with at Christian Science services Sunday.

The Lesson-Sermon is entitled "Soul" a word which, when capitalized, is used in Christian Science as one of the synonyms for God. The Bible selections include: "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others, and cast them down at Jesus' feet; and he healed them" (Matthew 15:30).

Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (21:11-16): "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."

Billy, who was graduated from Campbell High School will be honored there February 26th with the premiere showing of the 1954 '49er pictures and of the pro bowl game at Los Angeles when he was voted the most outstanding player in the game witnessed by 44,000 fans.

PAST PRESIDENTS HONORED AT SIXTH DISTRICT PTA MEET

At the Founders Day meeting Monday in Fremont Union High School, seven past presidents of Sixth District C. C. P. T. were honored and a Life Membership awarded to Dr. Nan Allen for her contributions to the young people of Santa Clara County as Counselor for Special Services.

Mrs. Richard O'Flynn of Campbell, President of El Paradiso, the Hostess Council, introduced Mr. George Fernandez, Director of Student Activities. A. C. Stevens, Superintendent of Fremont High School District gave the address of welcome and the new Principal of Fremont High, Earl Goodell was introduced.

Miss Carmendale Fernandes of the Drama Department offered entertainment with Deanne Seezer and Ron Montry doing a clever pantomime "Anything You Can Do I Can Do Better" which was followed by a gifted young soloist, Miss Georgianne Duley.

Mrs. Bruce Jones, Founders Day Chairman, introduced the past presidents of Sixth District who were in attendance, Mrs. W. E. Johnson, Mrs. H. C. Grimes, Mrs. Leslie Wilson, Mrs. H. E. Duffy, Mrs. Jesse Potts and Mrs. E. L. De Arman. Mrs. De Arman, who presided from 1917 to 1920 is the oldest living past president not only of this District but of the State C. C. P. T. Little four-year old Dianne La Croux sang "Happy Birthday to Everyone".

Mrs. Elmer Smily, District Life Membership Chairman, presented the Life Membership pin and award to Dr. Nan Allen.

The speakers of the day were Mrs. C. H. Culbertson, Director of the Department of Education and Mrs. Wyman T. Harder, Chairman of School Education of the State Congress of Parents and Teachers.

Mrs. Culbertson spoke on Home-School Cooperation using the 4th Object of the Parent Teacher "Objects" as her theme "To Bring into Closer Relation the Home and the School, that Parents and Teachers May Cooperate Intelligently in the Training of the Child". Democratic education is the foundation of our national life and it becomes meaningless without the cooperation of the home and the school. It is important that we should work together. It is not just a child going to school—he is part of the family and part of a neighborhood. We must cooperate as a business partnership.

Mrs. Harder talked more in particular to School Education Chairmen with regard to cooperating with schools, principals and School Boards.

Mrs. John Robison, Financial secretary reported membership so far to be 43,154 of whom 2,161 are teachers.

Mrs. Philip Towle, Mrs. Hugh Enochs and Mrs. Max Hopper of our District Education Depart-

ment, spoke briefly concerning a recent Conference held in San Jose on Education and Child Guidance which they attended.

Dr. Lola Fay Gordon spoke as Parent Education Chairman and introduced her assistant, Mrs. Evelyn Penny. Mrs. Norman Dolloff is the new Seventh Vice President as Health Director of Sixth District.

Pacific Gas & Electric Company will build an electrical sub station at Metcalf and Monterey Road in Gilroy at estimated cost of \$21,000.

Western Homes, Inc. will build an industrial type building at 1607 Terminal Avenue, San Jose, for expansion of their business at estimated cost of \$7,000.
